PROGRAMM HIGHLIGHTS

TENTATIVE PROGRAMME

Part 1: San Francisco & Silicon Valley (3 days)

The first part of the Business Mission is designed to expand your understanding what makes Silicon Valley work, and why it is a special place. Through talks and discussions at various companies with senior managers, you will experience the intertwining of entrepreneurship and innovation, and you will understand why disruption will be fueled by all things digital.

Companies and institutions visits will encompass **prominent global innovators, thriving start-ups and Swiss-outposts** (detailed program and subjects adapted to participants).

Further activities included:

- Visit at Innovation and design company
- Design thinking lecture at Stanford University
- VC and investor talk – learnings and new ventures
- Network reception at residence of Swiss consul
- Swissnex projects at Pier 17

Part 2: CES Las Vegas (2 days)

- Tour and demonstrations at booths of key players
- Swiss evening and network reception
- Conferences by top level speakers
- Individual visit of exhibition
- Match making for individual meetings (optional)
